

come forward and lead the House in the Pledge of Allegiance.

Ms. GABBARD led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

WELCOMING REVEREND JOSHUA LEU

The SPEAKER. Without objection, the gentleman from Kansas (Mr. MARSHALL) is recognized for 1 minute.

There was no objection.

Mr. MARSHALL. Mr. Speaker, I rise today to salute and say thanks during Pastor Appreciation Month. This one is particularly special, as one of my own church's pastors gave the opening prayer to this body just moments ago.

From baptisms to weddings to funerals, pastors give us encouragement to meet the demands of life. They give spiritual balance to a material world and are spiritual leaders for a nation deemed "one Nation under God."

I thank my current pastor, Pastor Josh Leu; his wife, Ashley; his lovely daughters, Karys and Khora. I also want to thank my pastor of 20 years, Pastor Bill Johnson, and his wife, Lois.

Thanks for all you have done for us, for my family, for my community, and for my church.

Like Pastor Bill always used to say: Have a good day, if you want to.

Mr. Speaker, let's all reach out to pastors and their families to tell them thanks for all they do for us.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. ROGERS of Alabama). The Chair will entertain up to 15 further requests for 1-minute speeches on each side of the aisle.

DEPARTMENT OF ENERGY'S 40TH ANNIVERSARY

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, I was grateful to join Secretary Rick Perry and my colleagues, Congressman CHUCK FLEISCHMANN, Congressman JOE BARTON, and Congresswoman MARCY KAPTUR, yesterday to celebrate the Department of Energy's 40th birthday.

The goals presented of progressing our science, protecting our Nation, and promoting our energy were meaningful to me, having served as Deputy General Counsel under Secretary Jim Edwards of the Reagan administration. I was also grateful to have worked at the Savannah River Site, where I saw firsthand so many dedicated personnel.

In Washington, I served with General Counsel R. Tenney Johnson; was welcomed by Administrative Assistant

Marsha McQueen; and was trained by Deputy General Counsel Eric Fygi, who was recognized as an original DOE staff member.

I look forward to working with Secretary Perry to ensure continued progress on our nuclear cleanup missions, effective stewardship of the nuclear weapons stockpile, and continued research and development at our Nation's national labs. DOE now clearly promotes energy development to create jobs.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

IRAN NUCLEAR DEAL

(Ms. GABBARD asked and was given permission to address the House for 1 minute.)

Ms. GABBARD. Mr. Speaker, the Iran nuclear deal is far from perfect. There are outstanding issues, like ballistic missiles, that are and should be addressed outside the nuclear agreement.

Ultimately, the goal of this deal was to prevent Iran from attaining a nuclear weapon and averting all-out war. This is exactly what it has done.

Now, President Trump is threatening to pull out from the deal and break our commitments to Iran and our allies, with no evidence to prove that Iran has not complied. In fact, the IAEA and our U.S. military and intelligence sources unanimously agree that Iran has remained compliant to the agreement.

Walking away from the Iran nuclear agreement that, so far, is working will likely cause Iran to restart its nuclear weapons program, eliminate the possibility of diplomatic negotiations to denuclearize North Korea, kick off a nuclear arms race, and greatly increase the chances of nuclear war.

If President Trump breaks our commitment to the Iran deal, the American people have everything to lose and nothing to gain. For the peace and security of the American people, we must uphold our commitment to this nuclear deal.

RECOGNIZING ALABAMA STATE REPRESENTATIVE JAMES BUSKEY

(Mr. BYRNE asked and was given permission to address the House for 1 minute.)

Mr. BYRNE. Mr. Speaker, I rise today to recognize Alabama State Representative James Buskey.

Representative Buskey recently announced that he will be retiring from the Alabama House of Representatives after 42 years of representing people in Mobile, Alabama.

He was first elected to the House in 1976, making him one of the longest-serving legislators in Alabama history. Outside of the legislature, Representative Buskey spent much of his life working in public education, including as a school administrator at E.S. Chastang Middle School in Mobile.

While we have had our share of political differences, I have always appreciated his institutional knowledge and respected his passion for our local community. I am honored to call James a friend and appreciate his decades of service to the people of Mobile and Alabama.

Mr. Speaker, I wish James and his wife, Vergie, all the best upon his retirement and the years ahead.

HONORING THE LIFE OF HANNAH AHLERS

(Mr. RUIZ asked and was given permission to address the House for 1 minute.)

Mr. RUIZ. Mr. Speaker, on October 1, 2017, a gunman opened fire on thousands of innocent people at a music festival in Las Vegas.

As our families mourn, I want to honor the life of Hannah Ahlers, a wife, mother, daughter, sister, friend to many, and beloved by her community, whose life was taken too soon. Her brother recently told me: "She was loved by everyone that met her . . . she was our sunshine."

Her beautiful personality was felt by all, from her family and friends, to the mothers she worked with in her children's schools, to the volleyball team she volunteered with. As her husband shared: "She wasn't too good for anybody; beautiful inside and out."

At 34, her dedication to family and community is felt in her home in the city of Beaumont and across the Inland Empire.

On behalf of my wife, Monica, and the entire 36th Congressional District, we join together as a community to mourn her heartbreaking loss and celebrate her life.

To Hannah's husband, Brian; her children, Briannah, Brice, and Hailey, our thoughts and prayers are with you. We commit to take up Hannah's mantle of dedication by serving our own communities. Her love and devotion will never be forgotten.

NATIONAL FARMERS DAY

(Ms. STEFANIK asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. STEFANIK. Mr. Speaker, when you eat today, you can thank a farmer.

Across this great Nation, over 3 million farmers work tirelessly each day to produce the food that feeds our families and keeps our country running.

From Grace-Way Dairy Farm in Lowville to Everett Orchards in Peru, I have been blessed to meet with so many farmers that make up the backbone of our north country economy. Many of these family farms in my district produce dairy, apples, honey, wine, and the most delicious maple in the country.

As Congress works on the next farm bill, we need to focus on supporting those who support our Nation's food supply.
